At Laxpros we can do more than grab a **STICK** off the shelf. We can make it **CUSTOM** for you, in the **COLORS** you want and **STYLE** you need. Strung by **PROFESSIONAL LACROSSE EXPERTS**.

Don't buy **Protective Equipment** off the shelf. Have a **PROFESSIONAL LACROSSE EXPERT** make sure your player is sized properly and appropriately.

YOUR CHILD'S SAFETY IS WORTH IT!

When I recommend players to head to Laxpros, I know they will be taken care of by professionals that understand lacrosse and what they really need.
